## TABLE OF CONTENTS

<b>PART I. Daily Schedule &amp; Fee Structure</b>	<b>4</b>
<b>PART II. Specialty Camps</b>	<b>5</b>
1. Sports Camps - Basketball, Soccer & Volleyball	6
2. Computer Coding	7
1). Game and Code with Scratch	7
2). Game Adventure   Design your own game with Roblox	8
3). Fun Coding with Scratch Beginner	8
4). Build Your Own Game Design with Minecraft	9
5). Arcade Game Design with Python	9
3. Robotics	10
1). WEDO Lego Robotics	10
2). Snap Circuit	11
4. Fine Arts	12
5. Chess	16
1). Chess Explorers Club	16
2). Chess Strategy & Tactics	17
6. Cooking	18
1). Cooking Adventures for Kids	18
2). Kids Kitchen Creations	19
3). Edible Art	20
4). Cooking Around the World	21
5). Kids Love to Cook	22
6). Make Your Own Lunch	23
7. Public Speaking	24
1). Talk Show Hosting - Radio News Hosting	24
2). Monologue Acting Camp - Intro to Dramatic; Show your Personality!	25
3). Pre-Reading & Speaking Combo - Charlie & the Chocolate Factory	25
4). Pre-Speaking Camps - Little Big Host - Action Talent Show	27
5). Improvisation Skill Camp - Read a Picture & Tell a Story	27
8. Dance	28
1). Ballet, Tap, Jazz Dance	28
2). Hip Hop, Jazz Dance	29
9. Youth Fitness	30
1). Kids Yoga	30
2). Fit 'n' Fun: Kids HIIT	31
3). Pre-Athlete Training	31
10. Table Tennis	32

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

11. Clay Art	34
<b>PART III. Basic Camps</b>	<b>35</b>
Week 1: Communication: Meet and Greet!	35
Week 2: Everything about Nature	35
Week 3: Super Hero	35
Week 4: Health and Nutrition	36
Week 5: Multicultural Week	36
Week 6: Bubble Festival	36
Week 7: Astronomy & Space	36
Week 8: Green & Recycling	36
Week 9: Safari Animals	36
Week 10: Mysterial Festival	37
<b>PART IV. Elective Classes</b>	<b>37</b>
1. Singapore Math	37
2. Math Kangaroo	39
3. Creative Writing	40
4. Reading Club	41
<b>PART V. Field Trip</b>	<b>42</b>
<b>PART VI. Lunch Menu</b>	<b>44</b>
<b>Week 1:</b>	<b>44</b>
<b>DISCOUNT &amp; BILLING POLICIES</b>	<b>48</b>
1. Discounts	48
1). Summer Camp Discounts	48
a). Multi-session Discount	48
b). Sibling Discount	48
c). Multiple Specialty Camps Discount	49
2). Referral Bonus	49
2. Billing Cycles	49
3. Payment Options	50
4. Refund/Cancellation Policy	50

## PART I. Daily Schedule & Fee Structure

Days Per Week	Full Day/Half Day	Basic Camp Fee	Sports Camp (Mon-Thur, 9:15-10:45 am)	Specialty Camp (Mon-Thur, 11:00-12:30 pm)	Field Trip (Fri, 10:00-12:00 pm)
5 Days	Full Day (8:00 am-6:00 pm)	\$335 per week	\$60 per week	\$50-\$75 per week	\$20-\$30 per trip
	AM Half Day (8:00 am-12:30 pm)	\$285 per week	\$60 per week	\$50-\$75 per week	\$20-\$30 per trip
	PM Half Day (1:30 pm-6:00 pm)	\$285 per week	N/A	N/A	N/A
4 Days	Full Day (8:00 am-6:00 pm)	\$310 per week	\$60 per week	\$50-\$75 per week	\$20-\$30 per trip
3 Days	Full Day (8:00 am-6:00 pm)	\$290 per week	N/A	N/A	\$20-\$30 per trip

	Monday	Tuesday	Wednesday	Thursday	Friday
8:00-9:15	Morning check in				
9:15-10:45	Sports Camp (Basketball/Soccer/Volleyball at Hart Middle School) or Onsite Outdoor Activities (at Yang Fan Playground) + Indoor Art Workshops				Onsite Outdoor Activities
10:45-11:00	Morning Snacks (provided)				
11:00-12:30	Choice of Morning Specialty Camps (see the Specialty Camp at A Glance Table for more details) or Basic Camp (weekly themed projects)				Onsite or Offsite Field Trips
12:30-1:30	Lunch Break & Outdoor Recess				
1:30-4:00	Afternoon Academics: Chinese/Spanish/Hindi, English Language Arts (Reading, Writing)/Math Drills; Singapore Math/Creative Writing Elective Classes				Gym Trip or Swimming Trip
4:00-5:30	Afternoon Specialty Camps or Afternoon Snacks (provided) + Outdoor Recess + Afternoon Fun Activities				Afternoon Fun Activities
5:30-6:00	Pick up				

YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

## 1. Sports Camps - Basketball, Soccer & Volleyball

### Course Description:

Join us for an exciting and action-packed summer sports camp designed specifically for elementary school kids from Transitional Kindergarten (TK) to Grade 6! Our comprehensive program offers a perfect blend of skill development, teamwork, and fun in three popular sports: basketball, soccer, and volleyball.

Throughout the camp, our experienced coaches will guide young athletes through a series of engaging drills, games, and scrimmages tailored to their age and skill level. Participants will have the opportunity to enhance their fundamental skills, including dribbling, shooting, passing, and defending, while also learning valuable strategies and techniques unique to each sport.

In the basketball sessions, campers will learn the fundamentals of the game, including proper shooting form, ball-handling skills, and defensive techniques. Through various drills and mini-games, they will develop coordination, agility, and basketball IQ in a supportive and encouraging environment.

During the soccer sessions, participants will sharpen their footwork, passing, and shooting abilities while also learning the importance of teamwork and communication on the field. Coaches will emphasize both individual skills and team tactics to help players excel in this fast-paced and dynamic sport.

In the volleyball sessions, campers will learn the fundamentals of serving, passing, setting, and spiking while also honing their positional awareness and teamwork. Through a series of drills and friendly competitions, they will develop the skills and confidence needed to excel in volleyball.

In addition to skill development, our camp prioritizes sportsmanship, respect, and teamwork. Through positive reinforcement and cooperative activities, campers will learn the importance of fair play, camaraderie, and mutual support both on and off the field.

Whether your child is a beginner looking to learn the basics or a seasoned athlete eager to take their game to the next level, our summer sports camp provides a supportive and inclusive environment for all skill levels. Come join us for a summer of sports, friendship, and fun!

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

Note: Campers are encouraged to bring appropriate athletic attire, water bottles, sunscreen, and a positive attitude!

**Eligible Grades (as of Fall 2024):** TK, K, G1, G2, G3, G4, G5, G6

**Fee:** \$60 per week

**Class Size:** 20-40 students per class

**Instructor:** School District Sports Coach

**Class Schedule:** 9:15am-10:45am, Monday, Tuesday, Wednesday, Thursday

**Weeks Available:**

Week 1: 6/3-6/7

Week 2: 6/10-6/14

Week 3: 6/17-6/21

Week 4: 6/24-6/28

Week 5: 7/1-7/3 (only on Mon, Tue, Wed)

Week 6: 7/8-7/12

Week 7: 7/15-7/19

Week 8: 7/22-7/26

Week 9: 7/29-8/2

Week 10: 8/5-8/9

## 2. Computer Coding

### 1). Game and Code with Scratch

**Course Description:**

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

In this class, students will learn how software and hardware work together with the use of a micro:bit board. They will program different features such as buttons, sensors and many input/output features to see the LED light display and many more projects.

**Eligible Grades (as of Fall 2024):** TK, K, G1, G2

**Fee:** \$65 per week

**Class Size:** 10-20 students per class

**Instructor:** Knodemy

**Class Schedule:** 11:00am-12:30pm, Monday, Tuesday, Wednesday, Thursday

**Weeks Available:** Week 4: 6/24-6/28

### 2). Game Adventure | Design your own game with Roblox

#### Course Description:

In this class, students will be introduced to the sandbox world and they will set up their own accounts. Students will learn to create their own game using Roblox. They will learn how to build an obstacle course and will learn to code color-changing blocks.

**Eligible Grades:** G2, G3, G4, G5, G6

**Fee:** \$65 per week

**Class Size:** 10-20 students per class

**Instructor:** Knodemy

**Class Schedule:** 11:00am-12:30pm, Monday, Tuesday, Wednesday, Thursday

**Weeks Available:** Week 2: 6/10-6/14

### 3). Fun Coding with Scratch Beginner

#### Course Description:

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

In this scratch class, students will learn the basics of Scratch programming and will get a chance to collaborate, design, and build an interactive program and learn basic logic and algorithms.

**Eligible Grades:** TK, K, G1, G2

**Fee:** \$65 per week

**Class Size:** 10-20 students per class

**Instructor:** Knodemy

**Class Schedule:** 11:00am-12:30pm, Monday, Tuesday, Wednesday, Thursday

**Weeks Available:** Week 10: 8/5-8/9

### 4). Build Your Own Game Design with Minecraft

#### Course Description:

In this class, students will learn to build their own maps in Minecraft using command blocks, redstone circuits and custom skins. Students will build their own project using the concept learned in class.

**Eligible Grades:** TK, K, G1, G2, G3

**Fee:** \$65 per week

**Class Size:** 10-20 students per class

**Instructor:** Knodemy

**Class Schedule:** 11:00am-12:30pm, Monday, Tuesday, Wednesday, Thursday

**Weeks Available:** Week 6: 7/8-7/12

### 5). Arcade Game Design with Python

#### Course Description:

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

In this class students will learn the basics of game development and about the principles of Arcade game design. They will learn about the fundamental coding concept using Python to teach the basics of algorithms. They will create arcade style games using the concepts learned in class and will gain computational thinking skills.

**Eligible Grades:** G2, G3, G4, G5, G6

**Fee:** \$65 per week

**Class Size:** 10-20 students per class

**Instructor:** Knodemy

**Class Schedule:** 11:00am-12:30pm, Monday, Tuesday, Wednesday, Thursday

**Weeks Available:** Week 6: 7/8-7/12

### 3. Robotics

#### 1). WEDO Lego Robotics

##### **Course Description:**

Kids will have a great time in this hands-on Robotics course while also being introduced to various aspects of mechanical, electrical, and computer science Engineering. Students will be introduced to a block coding language in order to provide an intuitive understanding for programming as well as provide easy to follow instructions to build many simple machines. In every class session students will use lego pieces to build figures like airplanes, alligators, a smart spinner, etc., and they will be introduced to mechanical and electrical mechanisms like sensors, gears, pulleys. They will then use block programming to help them fit all these pieces together to create their own moving project.

**Eligible Grades:** TK, K, G1, G2

**Fee:** \$65 per week

**Class Size:** 10-20 students per class

**Instructor:** CompuChild

**Class Schedule:** 11:00am-12:30pm, Monday, Tuesday, Wednesday, Thursday

**Weeks Available:**

Week 1: 6/3-6/7 (Lego Robotics: Amazing Amusement Park)

Week 5: 7/1-7/5 (Lego Robotics: Building Games & Sports )

Week 7: 7/15-7/19 (Lego Robotics: Happy Traveler)

**2). Snap Circuit**

**Course Description:**

This technology program has been designed for younger students to get an early understanding of simple electrical circuits. Collaborative building exercises and fun observations encourage children to start thinking about how things work.

**Eligible Grades (as of Fall 2024):** TK, K, G1, G2

**Fee:** \$65 per week

**Class Size:** 10-20 students per class

**Instructor:** CompuChild

**Class Schedule:** 11:00am-12:30pm, Monday, Tuesday, Wednesday, Thursday

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

### **Weeks Available:**

Week 3: 6/17-6/21(Snap Circuit: Unleash Your Inner Engineer)

Week 9: 7/29-8/2 (Snap Circuit: Wired for Fun)

### **4. Fine Arts**

# Monthly Art Lesson Plan

WEEK 6/3-6/6

Theme: Sky

Rainbow Watercolor Painting

Plane Oragami

WEEK 6/10-6/13

Theme: Animals

The Balloon Chick Craft

Oil Pastel Coloring

WEEK 6/17-6/20

Theme: Superhero

Color Pencil & Marker Drawing

Superhero Mask

# Monthly Art Lesson Plan

WEEK 6/24-6/27

**Theme: Plants & Flowers**

acrylic painting

Flower  
Craft

WEEK 7/8-7/11

**Theme: Anime**

Anime Character Making  
with Color Pencil, Crayon

WEEK 7/15-7/18

**Theme: Veggies & Fruits**

Fruit Basket Craft &  
Drawing

# Monthly Art Lesson Plan

WEEK 7/22-7/25

**Theme: Kawaii** Coloring Sheets &  
The Kawaii Craft

WEEK 7/29-8/1

**Theme: Ocean**  
Bubble Watercolor Painting

Frog Craft

WEEK 8/5-8/8

**Theme: Disney Scene** Mickey & Minnie  
Coloring Craft

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

**Eligible Grades:** TK, K, G1, G2, G3, G4, G5, G6

**Fee:** \$60 per week

**Class Size:** 10-20 students per class

**Instructor:** YF Art Teacher - Ms. Moon Kim

Moon is a professional Artist with over 30 years of experience creating oil and acrylic paintings using a variety of innovative methods. Her expertise lies in abstract imaging and color use, having undergone extensive training and study in these areas.

Moon's artwork has been exhibited in over 15 public exhibitions, highlighting her exceptional skill and creativity. Her media pieces and paintings are highly regarded, as they showcase her ability to translate complex emotions into visually stunning creations. Moon's passion for art has driven her to continuously refine her craft and inspire others through her work.

## 5. Chess

### 1). Chess Explorers Club

#### Course Description:

Embark on a captivating journey into the world of chess with our Chess Explorers Club, specially designed for young minds from Transitional Kindergarten (TK) to Grade 1! This summer camp class offers an exciting introduction to the timeless game of chess, providing a fun and engaging learning experience for beginners.

Led by our experienced chess instructors, this course is tailored to the unique needs and interests of our youngest learners. Through a combination of interactive lessons, puzzles, and games, children will develop a solid foundation in chess fundamentals while fostering critical thinking, problem-solving, and concentration skills.

Throughout the program, participants will learn the basic rules of chess, including how each piece moves and captures on the board. They will also explore essential chess strategies and tactics, such as controlling the center, developing pieces, and recognizing checkmate patterns.

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

In addition to learning the technical aspects of the game, our Chess Explorers Club emphasizes sportsmanship, creativity, and imagination. Through friendly competitions, cooperative challenges, and group discussions, children will learn valuable life skills such as patience, resilience, and respect for others.

**Eligible Grades:** TK, K, G1

**Fee:** \$50 per week

**Class Size:** 10-20 students per class

**Instructor:** Castle Chess

**Class Schedule:** 11:00am-12:30pm, Monday, Tuesday, Wednesday, Thursday

**Weeks Available:**

Week 1: 6/3-6/7

Week 7: 7/15-7/19

Week 8: 7/22-7/26

Week 10: 8/5-8/9

### **2). Chess Strategy & Tactics**

#### **Course Description:**

Elevate your chess game to new heights with our Chess Strategy & Tactics class, designed for aspiring young chess enthusiasts from Grade 2 to Grade 6! This dynamic summer camp course offers a comprehensive exploration of advanced chess concepts, providing participants with the skills and strategies needed to become formidable players.

Led by our expert chess instructors, this program is tailored to the needs and abilities of intermediate to advanced players who are eager to deepen their understanding of the game. Through a blend of interactive lessons, challenging puzzles, and competitive games, students will develop a nuanced grasp of chess strategy and tactics.

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

Throughout the course, participants will delve into a wide range of strategic principles, including pawn structures, piece coordination, controlling key squares, and creating effective plans. They will also explore tactical motifs such as pins, forks, skewers, and discovered attacks, learning how to recognize and exploit tactical opportunities on the board.

In addition to honing their technical skills, students will cultivate essential cognitive abilities such as critical thinking, pattern recognition, and decision-making under pressure. They will also develop important life skills such as perseverance, sportsmanship, and resilience through both individual and group activities.

**Eligible Grades:** G2, G3, G4, G5, G6

**Fee:** \$50 per week

**Class Size:** 10-20 students per class

**Instructor:** Castle Chess

**Class Schedule:** 11:00am-12:30pm, Monday, Tuesday, Wednesday, Thursday

**Weeks Available:**

Week 4: 6/24-6/28

Week 6: 7/8-7/12

Week 9: 7/29-8/2

## 6. Cooking

### 1). Cooking Adventures for Kids

#### Course Description:

Embark on a culinary journey filled with creativity, discovery, and delicious delights in our Cooking Adventures for Kids class, offered as part of our exciting summer camp program! Designed for young aspiring chefs, this hands-on course introduces children to the joys of cooking while fostering essential kitchen skills and culinary confidence.

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

Led by our experienced culinary instructors, this interactive class is perfect for children of all skill levels, from beginners to budding food enthusiasts. Through a series of engaging and age-appropriate lessons, participants will learn to prepare a variety of fun and flavorful dishes, ranging from snacks and appetizers to main courses and desserts.

Throughout the course, children will explore the fundamentals of cooking, including kitchen safety, food hygiene, basic knife skills, and proper cooking techniques. They will also learn about the importance of nutrition, ingredient selection, and meal planning, empowering them to make healthy and informed food choices.

**Eligible Grades:** TK, K, G1, G2, G3, G4, G5, G6

**Fee:** \$50 per week

**Class Size:** 10-25 students per class

**Instructor:** Yang Fan Cooking Teacher

**Class Schedule:** 11:00am-12:30pm, Monday, Tuesday, Wednesday, Thursday

**Weeks Available:**

Week 1: 6/3-6/7

Week 7: 7/15-7/19

### 2). Kids Kitchen Creations

#### **Course Description:**

Welcome to Kids Kitchen Creations, where young chefs unleash their culinary imagination and creativity in a fun and flavorful journey through the world of food! This exciting class, offered as part of our summer camp program, is designed to inspire children to explore their passion for cooking while developing essential kitchen skills and culinary confidence.

Led by our enthusiastic and experienced chefs, this hands-on course is tailored for children who are eager to roll up their sleeves and dive into the exciting world of culinary arts. Throughout the

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

program, participants will embark on a series of culinary adventures, learning to craft a wide array of delicious and visually stunning dishes.

In Kids Kitchen Creations, children will not only learn the basics of cooking, including kitchen safety, food hygiene, and proper cooking techniques, but they will also have the opportunity to unleash their creativity in the kitchen. From designing their own unique recipes to experimenting with different flavors, textures, and presentations, students will discover the joy of culinary expression.

Each session of Kids Kitchen Creations is filled with engaging cooking projects and culinary challenges that encourage teamwork, collaboration, and problem-solving. Whether they are working together to prepare a multi-course meal or competing in a friendly cooking competition, children will learn valuable life skills such as communication, cooperation, and time management.

**Eligible Grades:** TK, K, G1, G2, G3, G4, G5, G6

**Fee:** \$50 per week

**Class Size:** 10-25 students per class

**Instructor:** Yang Fan Cooking Teacher

**Class Schedule:** 11:00am-12:30pm, Monday, Tuesday, Wednesday, Thursday

**Weeks Available:**

Week 2: 6/10-6/14

Week 8: 7/22-7/26

### 3). Edible Art

#### Course Description:

Welcome to Edible Art, the ultimate fusion of creativity and culinary exploration, offered as an exciting class in our summer camp program! This innovative course invites young artists and

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

aspiring chefs to embark on a delectable journey where food becomes the canvas and imagination knows no bounds.

Led by our talented instructors, Edible Art provides children with a unique opportunity to express themselves through food in a fun and interactive setting. Throughout the program, participants will learn to transform everyday ingredients into stunning works of edible art, creating visually captivating masterpieces that are as delightful to behold as they are delicious to taste.

In each session of Edible Art, children will explore a variety of artistic techniques and culinary concepts, experimenting with different textures, colors, and flavors to bring their creations to life. From sculpting edible sculptures to painting with food dyes and decorating edible canvases, students will unleash their imagination and develop their artistic skills in a tasty and immersive environment.

**Eligible Grades:** TK, K, G1, G2, G3, G4, G5, G6

**Fee:** \$50 per week

**Class Size:** 10-25 students per class

**Instructor:** Yang Fan Cooking Teacher

**Class Schedule:** 11:00am-12:30pm, Monday, Tuesday, Wednesday, Thursday

**Weeks Available:**

Week 3: 6/17-6/21

Week 9: 7/29-8/2

#### **4). Cooking Around the World**

##### **Course Description:**

Embark on a global culinary adventure without leaving the kitchen in our Cooking Around the World class, a highlight of our summer camp program! This immersive course invites young chefs to explore diverse cultures, traditions, and flavors through hands-on cooking experiences inspired by cuisines from around the globe.

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

Led by our experienced chefs and culinary instructors, Cooking Around the World offers children the opportunity to broaden their culinary horizons while developing essential kitchen skills and cultural awareness. Each session of this dynamic class focuses on a different region or country, allowing participants to discover the unique ingredients, techniques, and flavors that define its cuisine.

Throughout the program, students will journey through a variety of culinary destinations, from Italy and Mexico to Japan and India, and beyond. They will learn to prepare a diverse array of dishes, including appetizers, main courses, desserts, and snacks, as they explore the rich tapestry of global cuisine.

In Cooking Around the World, children will not only learn to cook delicious and authentic recipes but also gain insight into the cultural significance and traditions associated with each dish. Through interactive discussions, storytelling, and hands-on cooking activities, participants will develop a deeper appreciation for the diverse culinary heritage of our world.

**Eligible Grades:** TK, K, G1, G2, G3, G4, G5, G6

**Fee:** \$50 per week

**Class Size:** 10-25 students per class

**Instructor:** Yang Fan Cooking Teacher

**Class Schedule:** 11:00am-12:30pm, Monday, Tuesday, Wednesday, Thursday

**Weeks Available:**

Week 4: 6/24-6/28

### 5). Kids Love to Cook

#### Course Description:

Welcome to Kids Love to Cook, where young chefs ignite their passion for cooking through hands-on culinary experiences, creative exploration, and delicious adventures! This exciting class, a highlight of our summer camp program, is designed to inspire children to discover the joy of cooking while developing essential kitchen skills and culinary confidence.

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

Led by our enthusiastic and experienced chefs, Kids Love to Cook offers children the opportunity to explore the exciting world of food in a fun and interactive setting. Each session of this dynamic class is filled with engaging cooking projects, culinary challenges, and tasty treats that will spark their imagination and tantalize their taste buds.

Throughout the program, participants will learn the fundamentals of cooking, including kitchen safety, food hygiene, basic knife skills, and proper cooking techniques. They will also discover the importance of nutrition, ingredient selection, and meal planning, empowering them to make healthy and delicious choices in the kitchen.

**Eligible Grades:** TK, K, G1, G2, G3, G4, G5, G6

**Fee:** \$37.50 per week

**Class Size:** 10-25 students per class

**Instructor:** Yang Fan Cooking Teacher

**Class Schedule:** 11:00am-12:30pm, Monday, Tuesday, Wednesday, Thursday

**Weeks Available:**

Week 5: 7/1-7/3

### **6). Make Your Own Lunch**

#### **Course Description:**

Get ready to take charge of your lunchtime experience in our Make Your Own Lunch Box class, a fun and interactive offering as part of our summer camp program! Designed to empower children to make healthy and delicious choices, this hands-on course teaches participants how to prepare and pack their own nutritious and tasty meals for school or on-the-go.

Led by our expert instructors, Make Your Own Lunch Box provides children with the skills and confidence needed to create balanced and satisfying meals that fuel their bodies and minds. Each session of this engaging class is filled with practical tips, creative ideas, and hands-on cooking activities that inspire a lifelong love of healthy eating.

Throughout the program, participants will learn to plan, prepare, and pack a variety of nutritious and delicious meals and snacks. From sandwiches and wraps to salads and snack boxes, students

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

will discover a wide range of options for assembling tasty and balanced lunches that cater to their individual tastes and preferences.

In Make Your Own Lunch Box, children will learn the importance of incorporating a variety of food groups into their meals to ensure they get the nutrients they need to thrive. They will also explore strategies for including fruits, vegetables, whole grains, lean proteins, and healthy fats in their lunches, creating meals that are both delicious and nutritious.

**Eligible Grades:** TK, K, G1, G2, G3, G4, G5, G6

**Fee:** \$37.50 per week

**Class Size:** 10-25 students per class

**Instructor:** Yang Fan Cooking Teacher

**Class Schedule:** 11:00am-12:30pm, Monday, Tuesday, Wednesday, Thursday

Week 4: 6/24-6/28

## **8. Dance**

### **1). Ballet, Tap, Jazz Dance**

#### **Course Description:**

Step into the world of dance with Tippi Toes Dance and embark on a captivating journey through Ballet, Tap, and Jazz in our dynamic summer camp program! Led by our experienced instructors, this engaging class offers young dancers the opportunity to explore three diverse dance styles while honing their technique, creativity, and performance skills.

In this comprehensive course, participants will delve into the elegance of ballet, the rhythm of tap, and the energy of jazz, experiencing the joy of movement and self-expression in each discipline. Through a combination of structured exercises, choreography, and creative exploration, students will develop a strong foundation in dance technique while fostering a love for the art form.

Under the guidance of our talented instructors, students will begin their journey with ballet, mastering the fundamentals of posture, alignment, and grace. Through classical exercises and beautiful movements, they will learn to convey emotion and storytelling through dance, cultivating discipline and precision in their movements.

In the tap portion of the class, dancers will discover the infectious rhythms and percussive sounds of tap dance. From basic steps to intricate combinations, students will develop coordination, musicality, and improvisational skills as they create intricate rhythms with their feet, adding their own flair and personality to each routine.

Finally, in the jazz segment of the class, students will explore the dynamic and expressive movements of jazz dance. From high-energy leaps and turns to fluid isolations and stylized

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

choreography, dancers will learn to embody the spirit of jazz while developing strength, flexibility, and stage presence.

Whether they are aspiring performers or simply passionate about dance, students will emerge from this class with a newfound appreciation for the art form and the skills and confidence to pursue their dance dreams. Join us for a summer of movement, music, and magic at Ballet, Tap, Jazz Dance with Tippi Toes Dance!

**Eligible Grades:** TK, K, G1

**Fee:** \$65 per week

**Class Size:** 8-15 students per class

**Instructor:** Tippi Toes Dance

Week 8: 7/22-7/26

### 10. Table Tennis

#### **Course Description:**

Table tennis is a competitive sport that emphasizes the sense of speed, rhythm and participation. It requires a correct judgment and immediate response to the ball in a very short time. This sport combines leisure, entertainment, and physical fitness. It helps to improve the coordination ability of hands, eyes, and feet. But also to be useful for the participant's mental growth. Each training program is to sharpen willpower and enhance self-confidence. Furthermore, it is important to gradually develop a healthy model of life growth during the period of professional coaching.

Yang Fan will provide transportation to a table tennis school in Pleasanton at no cost. You can either pick up your students at the table tennis school or we will bring the students back to Yang Fan by 5:45pm.

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

**Eligible Grades:** G1 and Up

**Fee:** \$50 per week

**Class Size:** 6-12 students per class

**Instructor:** Professional Table Tennis Athlete and Coach

**Class Schedule:** 4:00 pm - 5:30 pm, Wednesday, Thursday

**Weeks Available:**

Week 1: 6/3-6/7

Week 2: 6/10-6/14

Week 3: 6/17-6/23

Week 4: 6/24-6/28

Week 6: 7/8-7/12

Week 7: 7/15-7/19

Week 8: 7/22-7/26

Week 9: 7/29-8/2

## 11. Clay Art

### Course Description:

Explore the colorful world of air-dry clay and bring beautiful art projects at the end of each class. Participants will have fun learning new skills such as hand sculpting, making miniature figurines, animals and more. The soft texture of these pastels can create smooth, smudge lines and intense colors. It is fun and easy to use, especially for young beginners.

**Eligible Grade Levels:** TK, K, G1, G2, G3, G4, G5, G6

**Fee:** \$65 per week

### Class Size:

6-12 students per class (TK-G1)

6-12 students per class (G2 and Up)

**Instructor:** Angel Houze

**Class Schedule:** 4:00 pm - 5:30 pm, Monday, and Tuesday

### Weeks Available:

Week 1: 6/3-6/7 (TK-G1)

Week 2: 6/10-6/14 (G2&up)

Week 3: 6/17-6/23 (TK-G1)

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

Week 4: 6/24-6/28 (G2&up)

Week 6: 7/8-7/12 (TK-G1)

Week 7: 7/15-7/19 (G2&up)

Week 8: 7/22-7/26 (TK-G1)

Week 9: 7/29-8/2 (G2&up)

Week 10: 8/5-8/9 (TK-G1)

### **PART III. Basic Camps**

#### **Week 1: Communication: Meet and Greet!**

The campers will be given a chance to get acquainted with other campers through games and activities. Our setting makes for an ideal environment to develop life-skills, meet new friends, and enjoy fun summer activities related to communication and public speaking skills that are designed for their specific grades.

#### **Week 2: Everything about Nature**

The campers will explore the different aspects of nature. Yang Fan nature camp culture is infused with games that foster social skills and playful science camp activities that bring our camp spirit to life! All of our Nature Camps incorporate outdoor/indoor gardening, games, and arts & crafts activities.

#### **Week 3: Super Hero**

Meet and salute real life superheroes. The campers will explore what makes a Super Hero starting with the Marvel Comic characters to real live heroes such as firefighters and law enforcement officers. The campers will learn through lessons, games and activities such as Character Challenge and Dress-up as a superhero.

#### **Week 4: Health and Nutrition**

A fun program to teach kids about healthy nutrition and lifestyle habits. This week the campers will learn the importance of healthy living through nutrition, diet and exercise. Activities

included menu writing, art classes, food science experiments, food demonstrations and daily exercise.

### **Week 5: Multicultural Week**

The campers will learn that multiculturalism is related to or made up of several different cultures. The children take a virtual cultural journey around the world in each class that is fun filled. The age appropriate culture classes are designed in an effort to introduce students to international affairs at an early age.

### **Week 6: Bubble Festival**

What joy of discovery sparkles in the iridescence, surface tension, buoyancy, and shape of bubbles! This delightful weekly theme uses tabletop activities to present exploratory lessons in math and science. Teachers will encourage independent thinking and cooperative learning while bringing great fun and excitement to the classroom. The weekly learning also includes exploring scientific content in greater depth, and creating literature and writing extensions.

### **Week 7: Astronomy & Space**

This week we will be exploring the wonders of space! Astronomy and space classes are meant to capture students' interest in the universe and our place in it. Activities will often be based on mathematics, as astronomy and math are intricately connected.

### **Week 8: Green & Recycling**

It's more important than ever to teach children the importance of going green. By helping to instill a sense of pride in being eco-friendly, kids can learn at a young age to actively protect their planet. Through fun lessons, hands on games and activities, we teach students the importance of preserving our Earth, Ecology and Conservation. Activities include: Recycling, Composting and Plant an herb garden.

### **Week 9: Safari Animals**

Join us for an action packed adventure as we go on an expedition around Africa. where your kids could discover never-before imagined animals and tame Africa's wildest creatures. The campers will learn the fun facts of African wildlife and the land they live on through lessons, games and activities. Activities include animal presentations, art projects, and science projects.

### **Week 10: Mysterial Festival**

**Eligible Grades:** K, G1, G2, G3, G4, G5, G6

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

**Fee:** Included in the Basic Summer Camp Fee

**Class Size:** 15-25 students

**Instructor:** YF Teachers

**Class Schedule:** 11:00am-12:30pm, Monday, Tuesday, Wednesday, Thursday

#### 1. Singapore Math

##### Course Description:

##### G1-G2 WORD PROBLEMS

This class uses the Singapore Math Curriculum that is aligned with the Common Core State Standards and focuses on word problems. Students will learn new ways of understanding and applying basic math concepts as they study different grade appropriate word problems in a step-by-step approach. This will enable them to solve increasingly difficult word problems on

YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

their own using a variety of creative strategies and methods, gaining further insight, mastery, and confidence through class review of these problems.

G3-G5 PROBLEM SOLVING

This class uses the Singapore Math Curriculum that is aligned with the Common Core State Standards and focuses on problem solving. An in-depth, step-by-step approach will be used to teach students strategies, methods, and techniques on how to understand, analyze, and solve classic grade appropriate math problems. Many of these include analyzing patterns and relationships, comparing, drawing diagrams, and working backwards as well as understanding the vocabulary used. There will be clear examples given during class to help students develop logic and reasoning skills as well as mastery and confidence as they solve practice problems on their own at varied levels of difficulty. Problems are then reviewed during the next class.

**Eligible Grades:** G1, G2, G3, G4, G5, G5

**Fee:** \$25 per class

**Class Size:** 5-8 students per class

**Instructor:** YF Math Instructor

**Class Schedule:**

	<b>Wednesday</b>	<b>Thursday</b>
<b>1:30-2:15</b>	Singapore Math (G2) (\$25/class) (Class Size: 5-8)	Singapore Math (G1) (\$25/class) (Class Size: 5-8)

## 2. Math Kangaroo

### Course Description:

Prepare your child for mathematical success and intellectual challenge in our Math Kangaroo class, a stimulating addition to our summer camp program! Designed to cultivate problem-solving skills, critical thinking, and mathematical proficiency, this course offers students the opportunity to excel in the renowned Math Kangaroo competition while fostering a love for mathematics that extends beyond the classroom.

Led by our experienced instructors, this comprehensive class provides a structured and supportive environment for students to sharpen their mathematical skills and build confidence in tackling a variety of mathematical problems. Through a combination of guided instruction, practice sessions, and mock tests, participants will develop the knowledge, strategies, and mindset needed to excel in the Math Kangaroo competition and beyond.

In the Math Kangaroo Prep class, students will explore a wide range of mathematical concepts and topics covered in the competition, including arithmetic, algebra, geometry, and logic. From mastering basic operations to solving complex problems, students will develop a strong foundation in mathematical fundamentals while honing their problem-solving skills and mathematical reasoning abilities.

**Eligible Grades:** G1, G2, G3, G4, G5, G5, G6

**Fee:** \$25 per class

**Class Size:** 5-8 students per class

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

Week 9:

## DISCOUNT & BILLING POLICIES

### 1. Discounts

#### 1). Summer Camp Discounts

##### a). Multi-session Discount

Get a **5%** discount on the basic camp tuition fee when you enroll for 7 or 7 more weeks on a full time basis (5 full days a week) on those 7 and 7 more weeks.

##### b). Sibling Discount

Each sibling will receive a **5%** discount on their basic camp tuition fee when both of them are enrolled for onsite summer camp when all siblings are attending the program on a full time basis (5 full days a week).

# YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

## c). Multiple Specialty Camps Discount

For every 3 eligible specialty camps (including the Sports Camp) you enrolled, you will receive a \$30 credit for the 4th specialty camp you are going to enroll in.

d) Different discounts can be combined. We will apply Sibling Discount(s) (if applicable) first, then apply Multi-session Discount (if applicable).

e) Given the continuing nature of the classes and the enrollment during the summer, the discounts will be settled by a final adjustment in the second billing cycle of summer.

## 2). Referral Bonus

When you refer a new family to register for any Yang Fan 2024 Summer Camp program for at least TWO WEEKS, you and the family you referred will both get a \$50 credit that can be used towards your student's tuition fee for summer camp. The referral bonus will be applied to your second billing cycle of summer camp.

New customer is defined as someone who has never attended any YF programs including After School program, Summer Camp and Yang Fan Preschool, online or onsite. There is no limit on how many new families you can refer, the more successful referrals you make, the more referral credits you will get.

## 2. Billing Cycles

Onsite summer camp tuition will be collected per billing cycle. Invoices will be emailed to parents in the week before each billing cycle begins:

1st Billing Cycle (covering 5 weeks from 6/3 to 7/3): due by 6/7/2024

2nd Billing Cycle (covering 5 weeks from 7/10 to 8/4): due by 7/10/2024

Summer 2024 Yang Fan Summer Camp Billing Schedule				
Invoice Number	Invoice Day	Payment cover period	# of weeks being billed	Payment due day
1	6/3/24	6/3-7/3*	5 weeks	6/7/24
2	7/8/24	7/8-8/9**	5 weeks	7/12/24

## YANG FAN SUMMER CAMP 2024 PROGRAM GUIDE

\*The first day of summer camp is on Monday, 6/3  
\*\*No summer camp on Thursday, 7/4 or Friday, 7/5

### 3. Payment Options

All of your previous credits and/or unpaid invoice balance with Yang Fan Academy will be carries over and paid/adjusted towards your summer invoice

Yang Fan accepts checks and cash for onsite summer camp tuition. Checks should be made payable to “LIL, Inc.”. Returned checks will be charged \$25.

For your convenience, we will accept payments through **Zelle**. Please transfer the exact amount due to (925) 699-3203 as the recipient and note your student's full name. We are enrolled as “LIL Inc” on Zelle. Please note that fees may apply if you are banking with a financial institution other than Bank of America.

Or, you can use the Bill Pay function of your bank or simply send your payment check to:

Yang Fan Academy  
4160 Hacienda Drive  
Pleasanton, CA 94588

### 4. Refund/Cancellation Policy

No refunds for onsite specialty camp fee once paid for each billing cycle. Basic camp cancellation for the enrolled week(s) requires a one week in advance written notice.
